Come suo insegnante di lingua, posso attestare che in 2013 Indigo Miller è stata una studentessa appassionata e motivata della lingua Italiana. Indigo ha cominciato a studiare l' italiano quest'anno come un principiante e ha lavorato duramente tutto l'anno per imparare la grammatica. Lei è interessata alle funzioni del linguaggio e sta sempre imparando nuovi vocaboli. Lei prende ogni occasione di parlare correntemente anche con imperfezioni, e cerca di perfezionare sua pronuncia parlando italiano. Indigo ha dimostrato un vero amore per questa lingua e lei farebbe una studentessa di lingua ideale, perché lei è così impegnata ad imparare questa lingua e la sua cultura.

Cordiali saluti  
Marie Sivris

As Indigo's Italian teacher this year I can vouch that she started learning this language as a complete beginner this year and during this time she has shown a strong commitment to learn and understand both the language, its grammar and culture. Indigo is a very motivated and diligent student with a natural curiosity and ability to learn a language. Indigo is **always** striving to speak fluently and to perfect her pronunciation. I highly recommend her for participation in this program. She is a mature easy going and friendly student, who has a natural ability to get along with people. Regards, Marie Sivris
