Indigo Miller has attended Mulwaree High School between the years 2009 and 2014.

During this time, Indigo has involved herself in many extra-curricular pursuits. She has been involved in Southern Stars, ISER and dance festivals, The Primary Link Program, hosting and participating in Mulwaree On Show, Rocks and Unplugged and school and zone sport.

During her senior years, Indigo studied Ancient History, General Mathematics, Advanced English, Drama and Beginners Distance Italian obtaining a good level of achievement across all areas. Indigo's achievements in these courses are a result of a good work ethic, self-motivation and a disciplined approach to her learning experiences. Indigo also contributes enthusiastically in all activities and communicates her ideas confidently. She is renowned as a mature, reliable and trustworthy person who is always prepared to seek and accept advice and use it for improvement.

In year 12, Indigo was elected as a Prefect of her year group where she was selected to meet the US Ambassador, represent the school in ANZAC ceremonies, volunteered for hospitality hosted functions for school ceremonies, special guests and fundraising events. Indigo also volunteered herself to numerous in-school events and functions.

I feel her work-ethic, mature attitude and bubbly personality would make her a valuable member of any work-place and I have no hesitation in recommending Indigo for consideration of employment with your organisation.

Yours sincerely,

Dane Stevenson
