To Whom it May Concern,

I am writing this reference at the request of my student Ms. Indigo Miller. Indigo is one of the top students in my Consumer and Buyer Behavior class. During this semester, Indigo has always contributed in class discussions and provided relevant and insightful comments. She communicates ideas very clearly and provides contemporary and relevant examples during the tutorials. Indigo also takes her assignments very seriously and puts a lot of effort to accomplish the required tasks for this subject in the best possible way.

In conclusion, I would highly recommend Indigo for your program. I am sure it will help her further achieve her academic goals and get ready for her desired future career. If you need any further information, feel free to contact me by email at marjan.aslan@canberra.edu.au anytime.

Sincerely,
