To Whom It May Concern

I am very happy to write this recommendation letter for Ms Indigo Miller, who is seeking to apply for the University of Canberra exchange program in Semester 2, 2019. She is a soft spoken and high achiever who constantly demonstrates her willingness to put in the extra effort to achieve the best possible results. She is sincere, hardworking and very punctual in all of my tutorials.

My comments are based on my personal knowledge of Ms Miller in my roles as an academic mentor and tutor in International Marketing Unit (11182).

In most of the group activities and projects, she would take a leadership role, and ensures that her group functions in a very efficient and effective manner. She brings in common-sense approach building by relating academic theories and themes to day-to-day practical applications. Miller has very high analytical skills who can exercise tact and high order interpersonal skills.

I have no reservations about Miller's abilities and happy to discuss further if required.
